

ANNUAL THREE-WAY BATTLE

Ipswich & District Photographic Society – Lowestoft Photographic Club – Norwich & District Photographic Society

Date: Tuesday 22nd November 2022

Venue: The Interactive Studio, City Academy Norwich.

Judge: Cherry Larcombe EFIAP, ARPS, DPAGB, BPE*5

On Tuesday 22nd November NDPS hosted the annual 3-way battle between NDPS, Ipswich and Lowestoft.

Each club had submitted 7 monochrome and 7 colour prints as well as 7 digital images, the aim being to win the coveted shield which was currently in the hands of NDPS.

The room at City Academy quickly filled up with members and a good number of guests from the other clubs. The judge, Cherry Larcombe EFIAP, ARPS, DPAGB, BPE*5, had travelled all the way from Kent.

The first round was monochrome prints, followed by the colour prints and the competition was fierce. Not one of the prints scored less than 8 out of 10 and we managed to keep a lead of a point or two in both rounds.

There was much activity during the break while everyone jostled to take a look at the prints, now displayed on our new print stands. (See them, behind Graham, our President, receiving the shield). After the break we settled down to the digital round where again the scores were close and high.

At the end of the night all the scores were added up and we were elated to find that Norwich had once again won the contest, albeit with a lead overall of only two and a half points!
